A Look **TOWARD THE FUTURE**

GRADUATION means the beginning of a new phase of study, work and application.

During the preceding months and years you've been preparing yourself mentally. How are your spiritual resources?

As you launch out toward specific work goals—or more advanced study goals—your spiritual cargo must daily undergird all your efforts if true success and healthy satisfaction are to be yours.

With a cargo of firm faith in Christ your Pilot and Guide, consecration, willingness to serve, faithfulness to duty, you can go forward full of hope and confidence buttressed to weather any storm, ready to meet any challenge.

GUIDED TOURS: The next time you're in St. Louis, we cordially invite you to take the interesting guided tour of your publishing house. Daily tours Monday through Friday, 9 A. M. to 5 P.M.

To you Graduates we extend our most cordial congratulations upon the completion of your studies at our Concordia, Portland.

You have thus finished a part of the course by which Synod desires to prepare young men for the holy ministry. We commend you to the Lord's gracious guidance as you continue your training at the Seminary.

May you eventually be privileged to enter the service of the Lord as a minister of religion.

At such time we desire to enroll you as a member of the Pension Fund by which Synod seeks to provide for its workers at the time of their retirement.

How You Can Own a \$10,000 Estate

You can own a \$10,000 estate through a life insurance program with the Aid Association for Lutherans if you can save a small portion of your earnings, if you are in good health at the time of application, and if you are a member of a Lutheran church of the Synodical conference.

To own a \$10,000 life insurance estate — or any amount of your choice — singles you out as a person who desires to be a financial success, because:

1. You have adopted a definite financial objective.
2. You have chosen to establish an estate through a type of investment that has proven to be safe. Its values are guaranteed.

Prospective college graduates are especially urged to get further details. Consult an A.A.L. field representative or write to the Home Office for further information.
